Projects

Sopwerhos

Company profile website built with modern Next.js stack. Showcasing services, clean design, and responsive layout optimized for businesses in Indonesia.

Gemilang Taruna

A modern website for Gemilang Taruna, a local food stall established in 2023. It showcases the brands identity, menu offerings, and story with a clean design. Key features include a responsive layout, product gallery, and contact section, making it easy for customers to explore the menu and connect with the business.

MCKY Studio Labs

A creative studio dedicated to developing original games. Focus on strong storytelling and striking visuals, believing that games can convey extraordinary messages, emotions, and experiences. The game includes 'Echoes Of Paur' and 'PARMAN'.
